

4:160 Environmental Quality of Buildings and Grounds

The Director shall take all reasonable measures to protect: (1) the safety of KASEC personnel, students, and visitors on KASEC premises from risks associated with hazardous materials and (2) the environmental quality of KASEC's buildings and grounds. The Executive Director or designee shall maintain a registry of employees and parents/guardians of students requesting notification before the application of pesticide(s) and notify these people as required by the Structural Pest Control Act, 225 ILCD 235/, and the Lawn Care Products Application and Notice Act, 415 ILCS 65/.

The Director shall notify all employees who must be offered, according to State or federal law, KASEC-paid hepatitis B vaccine and vaccination.

In making arrangements to lease (or otherwise utilize) space for KASEC's administrative offices and educational programs, the Director shall take reasonable measures to ensure that: (1) the environmental quality of the buildings and grounds used by KASEC is appropriate, and (2) conditions are appropriate for the safety of KASEC personnel, students, and visitors, including protection from risks associated with hazardous materials, and (3) the host Member District maintains a registry that includes KASEC employees and parents/guardians of KASEC students who request notification before the application of pesticides, and the host Member District notifies KASEC employees and parents/guardians as required by the Structural Pest Control Act (225 ILCS 235/10.3) and the Lawn Care Products Application and Notice Act (415 ILCS 65/3).

The Director shall notify all KASEC employees who must be offered, according to State or federal law, KASEC-paid hepatitis B vaccine and vaccination.
